## To the Honourable the President and Members of the Legislative Council in this present Parliament assembled -

The humble Petition of the undersigned residents of South Australia respectfully sheweth:- That

**a significant amount of water suitable for use for household domestic supply in metropolitan Adelaide is lost in stormwater runoff into the ocean each year**

Your petitioners therefore pray that your Honourable House will

**call upon the State Government, as a matter of urgent priority, to invest in stormwater harvesting for metropolitan Adelaide**

And your petitioners, as in duty bound, will ever pray.
